A new and welcome addition to our product range is our customized Easy Read Time Teacher school clocks. The clocks are available individually or supplied with a vibrant, customized backing panel. The durable weatherproof clock has a toughened glass lens, 36cm diameter powder coated steel frame and takes a single AA battery (Not Included) Our clocks are versatile and being weatherproof are suitable for all interior or exterior locations around your school. The customised panels are produced from 3mm aluminium composite sheet material, they have a separate fixing hole to accommodate the clocks and each panel is supplied with a wall fixing kit and are designed and finished to reflect your school branding or any other message that you wish to convey.

Available in 2 distinct layouts either the popular TO - PAST or a 24 hour clock our Easy Read Time Teacher clocks are ideal to help your pupils understand & to learn how to tell the time. They can be used for school entrances, reception areas, classrooms, play areas, schools grounds, playgrounds in fact anywhere either indoors or outdoors where there is a suitable flat surface.
