Your Enquiry

Please include as many details as possible about what you would like on your banner. Include sizes, background colours, the wording / text you require, along with high quality copies of any crests, logo's or artwork that you would like us to include. Our designers will then work with this information to create your new school banner and will send you a colour proof and our written quotation for your consideration.

Description / Sketch:

Please Give as Much Information as Possible

Full Colour Printed PVC School Banners

Do you have parking problems outside your school or maybe you are having a Christmas Fair or planning a special event ? If you need a printed banner for your school then we have the solution to suit you. Our full colour PVC printed School Banners are printed at 1440dpi onto a Premium 500gsm coated banner material. Our banners are printed using high quality fade-proof UV based scratch resistant inks. They are supplied with reinforced folded hems and eyelets as standard. Our printed PVC School Banners are 100% waterproof and ideal for use either indoor or outdoor promotional use around your school.

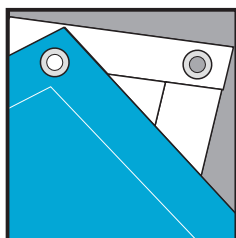

Premium Quality 500gsm PVC Banners

Rather than the standard 440 gsm banner material used by most suppliers we now only use a premium 500gsm banner material. This is a premium quality banner manufactured from a 500gsm coated banner grade PVC material which again is suitable for either internal or external use.

These banners are M1/B1 fire rated to comply with UK and European fire safety standards.

The high quality full colour prints are printed using fade proof UV based inks.

Each banner is supplied with standard hems & eyelets as detailed below.

Hems & Eyelets

Banners will be given a welded hem, then eyeletted at equal distributions along the hem. The standard distribution of eyelets is one per metre. If you require a different distribution or a specific placement of eyelets that's no problem at all. Simply let us know what you need when you place your order - There is no extra charge for this finish
